

Wayne State University College of Engineering *FIRST* Robotics Competition Presidential Scholarship Award

OVERVIEW

Wayne State University has teamed up with the *FIRST Robotics Competition* to honor 3 qualified students with a 4-year Presidential Scholarship. The Presidential Scholarship will enable these 3 recipients to pursue majors and careers in the field of engineering at Wayne State University. To be eligible for this scholarship, applicants will establish that they participated in the *FIRST Detroit District Competition* (held at WSU) and while doing so, that they received valuable knowledge, technical and life skills. This four-year scholarship will provide each recipient full tuition and immediate acceptance into the prestigious Wayne State University Honors Program.

ELIGIBILITY

Applicants for the Presidential Scholarship must:

- ❖ Provide proof of participation in the *FIRST Detroit District Competition*.
- ❖ Have a high school GPA of 3.5 or above.
- ❖ Provide a High School transcript and copy of a current resume.
- ❖ Submit ACT (American College Test) scores to Wayne State University.
- ❖ Meet all regular criteria for the Presidential Scholarship.
